A NEW LOOK FOR TPC PRESTANCIA

TPC Prestancia Completes its Course and Clubhouse Renovations

Sarasota, FL – TPC Prestancia unveils its recent clubhouse renovation this month. Featuring the “members only” Sandhill Grill and new banquet spaces, the clubhouse is the culmination of TPC Prestancia’s beautification and renovation projects that began with the 2007 greens renovation.

The new Sandhill Grill features an expanded lounge area with dark mahogany woodwork, warm accents and inviting sage green accents. Members also will have the luxury of watching their favorite sporting events on the five flat-panel televisions throughout the Grill. The banquet rooms have also been rejuvenated with the latest technology and decor. In conjunction with the new Grill and banquet rooms, the culinary team at TPC Prestancia has created new menus that feature traditional club favorites and locally inspired Gulf Coast creations.

Following the recent greens renovations, TPC Prestancia was awarded with the designation of being one of only three golf courses in the county to be recognized as a *Sarasota County Green Business Partner*. The club has dedicated itself to practicing environmental stewardship by taking sustainable actions to reduce waste and conserve water, energy and other natural resources while maintaining environmentally sound business operations. TPC Prestancia is also an Audubon Certified Cooperative Sanctuary.

“We’re excited to finally unveil these new projects to our members,” said Jim Poole, general manager at TPC Prestancia. “Through these changes and improvements, we will continue to offer Sarasota unrivaled golf and uncompromising service.”
